**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner discussed claims 13 and 18 with Applicant's Representative to enable the claims language reflect address and port in the payload of the signaling message being modified. Furthermore, Examiner discussed figure 3; wherein the figure "the response signaling" directed toward "SoftX" instead of "Proxy server" as discussed in the Applicant's disclosure. .
